

PRISMA Consent

PRISMA is the health information exchange that brings together records from small clinics to large-scale hospital systems whose medical records systems participate in the Carequality and CommonWell Health alliance networks.

PRISMA also aggregates patient information from insurance payers and patients' wearable devices to promote better interoperability and patient health outcomes. By consenting to this you are opting in, Do not sign if you want to opt out

Opt In: Send and Receive Documents X _____ Mente Behavioral Health will send clinical documents when requested by external connected sites (PRISMA) and will also request clinical documents from external connected sites (PRISMA) and display them in our electronic medical records.

Opt Out _____ Mente Behavioral Health will neither send clinical documents to nor request clinical documents from external connected sites.

I have read, fully understand, and agree to all of the conditions described in this document and have consented to this during visits. I have had the opportunity to ask questions about the HIPAA law and have them sufficiently answered for me.
